

Dr. Boudewijn Jansen

Port Expert, Senior Advisor (Rebel Group), Netherlands.

Session Title: Water and land resource management, sustainability and environment impact.

Boudewijn is for 14 years port finance advisor within RebelGroup International and has implemented port infrastructure assignments around the world. He is a strategic, commercial and finance specialist with experience in PPP, commerce, tariffs, privatisations, concession contracts, tender procedures, project finance, financing, financial modeling and business cases.

He conducted various transactions and tenders in the terminal, port and transport sector. He worked in many countries/continents and worked for all port authorities in the Hamburg Le Havre range. He has a unique combination of skills: preparing financial modeling, assessing maritime law and preparing tender documentation. He advises private parties on commercial strategies by using financing as an innovative instrument for strengthening commercial offers.
